

20 YEARS OF TRANSFRONTIER CONSERVATION IN SADC

Contributing to resilience across borders

Beginning on the **7th of July 2020**, the SADC Transfrontier Conservation Area (TFCA) Network and its partners are launching a 10-weeks series of online webinars to celebrate 20 years of Transfrontier Conservation in SADC and share its successes, challenges and lessons learnt. The SADC TFCA Network consists of a group of stakeholders and experts from government, civil society, donor community and private sector.

If you are interested to learn more about how transfrontier conservation can help build resilient and adaptable socio-ecological systems, especially in a post-pandemic world, this webinar series is for you!

Find more information on the programme on www.tfcaportal.org/public-events.

Register for each event by pressing the zoom link on the TFCA Portal or email your details to sadctfcaswebinars@gmail.com if you want to subscribe to all sessions.
